AS A STANDARD

TP 155 MOBILE is a reliable wood chipper with easy operation, fixed chip size and a total weight below 750 kg - which only requires a standard driving license.

<750 kg

Ideal basis model for e.g. the hire business

- TP 155 MOBILE is the obvious choice for rental companies, municipalities and landscape gardeners who require efficient wood chipping and a uniform wood chip quality for bed cover etc.
- The machine weighs below 750 kg, making it applicable for many users regardless of vehicle and type of driving license
- Two variants of turnable ejector spouts: With a fixed height (photo) or with a height-adjustable spout, TP VARIO SPOUT™
- The innovative blade system TP OPTICUT™ results in less vibration, a more steady strain on the machine and a fuel consumption level significantly lower than on comparable machines in the market

Optimise your up-time with the TP SERVICEBOX
with critical wear parts (included)
